

No Fault Warranty GOLD Plan

The No Fault Warranty GOLD (NFWG) that is offered by LKQ is supplemental to the LKQ Standard Limited Warranty. The NFWG is not a warranty itself, nor does it waive or modify any exclusions or limitations in the LKQ Standard Warranty, except as specifically stated in this No Fault Warranty GOLD plan.

TERM:

The term of this No Fault Warranty GOLD plan is coextensive with the LKQ Standard Warranty that covers the remanufactured engine to which this No Fault Warranty GOLD plan applies. The term begins on the date of the original product's installation, or 10 days after the product sale whichever is earliest. NFWG must be purchased from LKQ at the time of remanufactured engine sale. No provision is allowed for sale of this product after the remanufactured engine purchase.

SUPPLEMENTAL WARRANTY PAYMENTS

LKQ approved repairs will be compensated at a rate not to exceed the Mitchell Repair Manual published flat rate schedule. Under this No Fault Warranty GOLD plan, hourly rates for all labor claims performed by licensed repair facilities on first time engine failures will be paid at their posted labor rate, not to exceed \$95 per flat rate hour. Subsequent engine failures related to the original engine purchase revert to the terms of LKQ's standard written warranty. Labor guarantee under terms of No Fault Warranty GOLD is limited to the first time failure of the product and in no case will the total labor under the terms of this guarantee EXCEED the Mitchell Repair Manual published applicable flat rate schedule of hours for R&R engine times \$95 per hour.

TOWING: Towing will be reimbursed up to a maximum of \$100 per occurrence. (Customer must supply a copy of the towing invoice/contract.)

RENTAL: Car rental will be reimbursed up to a maximum of 5 days, up to \$30 per day. (Customer must supply a copy of the rental contract.)

FLUIDS: Fluid replacement at the time of warranty repair will be reimbursed up to \$25.00 per occurrence.

EXCLUSIONS:

This No Fault Warranty GOLD plan is subject to the following exclusions:

- 1.) Failures cause by parts that were not supplied as part of the original LKQ invoice showing the engine purchase.
- 2.) Engines used in a manner that violates the terms of the LKQ Owner's manual or used for purposes other than their original intended use.
- 3.) Do-it yourself engine installations

INSTALLATION AND MAINTENANCE:

- 1.) LKQ's recommended installation procedures must be followed.
- 2.) Maintenance must conform to the original equipment manufacturer standards. You may be required to furnish proof of these services when making a claim.

CLAIM PROCEDURE:

- 1.) If the vehicle needs repair, you must contact LKQ prior to starting the work.
- 2.) You must bring the vehicle, either to the repair facility where the original LKQ product was installed or to another licensed repair facility.
- 3.) When calling, have your LKQ product serial number (available from the original installer and located on the engine itself) ready.
- 4.) Payment will not be made for any unauthorized repairs and/or replacements.
