ON SALE!

NOVEMBER 1ST THROUGH NOVEMBER 17TH, 2019

We want to help get your tools and paint guns ready for another year of refinish jobs. Choose Keystone 100% virgin solvent Gun Wash.

Keystone Solvent and Waterbase Pre-Clean is an excellent cleaner for all acrylic, urethane, previously painted, primed or bare metal surfaces. Works fast to remove silicones, wax, grease, tar and other contaminants.

Also, on special, 3M™ Protective sheeting, perfect for protecting floors, walls, cabinets, stationary tools or any other object found in an automotive body shop or garage. 3M Protective Sheeting can eliminate costly and labor intensive cleanup and rework due to paint that reaches locations other than the intended target area. Protective sheeting is a simple and inexpensive way to manage and control the impact of overspray.

Key Solvent Base Pre-Clean, KEY90, is an excellent cleaner for all acrylic, urethane, previously painted, primed or bare metal surfaces. Works fast to remove silicones, wax, grease, tar and other contaminants. Flashes quickly leaving no residue. Should be used as a final pre-clean.

KEY Water based Pre-Clean, KEY93, is a great alternative to solvent based pre-cleaners. Very useful in stringent VOC regulated and non-regulated VOC areas. KEY93 is gentle enough for use on waterborne primer and other sensitive surfaces without sacrificing cleaning properties. This product is an excellent choice for cleaning Keystone Aftermarket Bumper covers!
