MAY 18TH - MAY 31ST SPECIALS

Items on special are available within the United States.

With Norton Blue Sheeting, paint will adhere to the outside layer of plastic, eliminating paint flake off, allowing for direct spray. Blue Sheeting features an easy-to-open fold pattern. All sizes come on a standard core to fit all current plastic masking dispensers, so one person can mask the vehicle alone. The cling of Blue Sheeting ensures the material adheres to the area that is to be protected. Blue Sheeting can be cut and painted along the critical edge, replacing paper in the shops. This tri-layer plastic is 0.4 mil. thick.
