# FINISHMASTER<sup>®</sup>

BY LKQ

## November 1 - 30, 2025

# Monthly Special

**Green Polyback Masking Paper** is a high performance polycoated masking designed to resist bleed-through with solvent and waterbased products; it offers flexibility and tear resistance, making it ideal for detailed work without flaking.

**Blue Polyback Masking Paper** is a premium polycoated masking paper designed to resist bleed-through with solvent and waterbased products.

**White Urethane Masking Paper** offers a premium, durable, lint-free, pliable, and easy to cut, ensuring a clean finish. Resistant to paints, solvents, urethanes, and clearcoat applications.

**These features make our masking products a great choice for painters looking for reliable masking solutions!**
